## Chalk Full of Fun on the Square

Over the 4th of July weekend the Redwood City Parks and Arts Foundation brought the 2nd annual Chalk Full of Fun chalk festival to Redwood City at the Courthouse Square. This two day festival was a HUGE success!

Over 70 artists created amazing masterpieces. Our Chalk Tunnel and Chalk Alley also provided visitors with a spontaneous way to participate in the chalking fun.

This year our chalk festival was a fundraiser for the America SCORES after-school program, through the Redwood City Parks, Recreation and Community Services Department. We raised enough funds to bring this program to another school in our district.

We could not have had such a successful event without the support of our AMAZING event and chalk square sponsors...THANK YOU!

## Redwood City Parks and Arts Foundation

The Redwood City Parks and Arts Foundation was established in 2012. We are a 501(c)3 public charity. We work in cooperation with the City of Redwood City's Department of Parks, Recreation, and Community Services. Our mission is to advocate, advance, and develop support for parks, recreational programming, community services, cultural activities, and the arts in Redwood City and surrounding unincorporated areas.

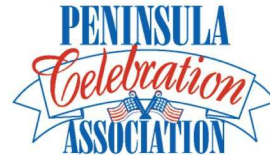

## America SCORES

America SCORES Bay Area inspires urban youth to lead healthy lives, be engaged students, and have the confidence and character to make a difference in the world. Their innovative approach to youth development improves students' health, academic achievement, and civic engagement.

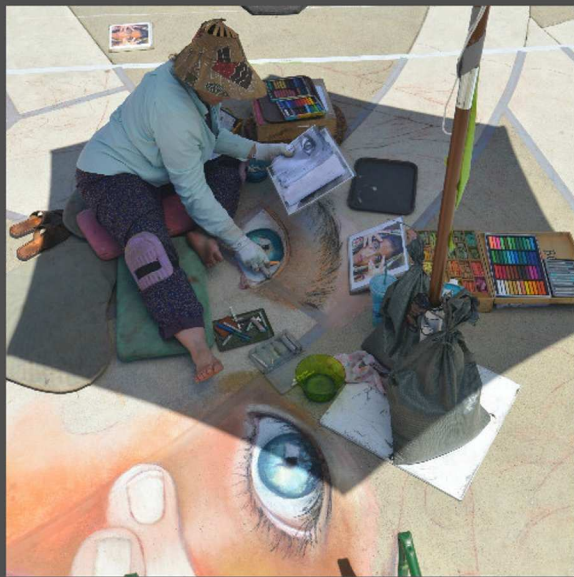

# THANK YOU TO ALL OUR EVENT SPONSORS FOR YOUR SUPPORT!
